Honoring

**Robert DeSalvio**

*President, Genting Americas East*

Mr. DeSalvio operates Resorts World New York City, as well as many other Genting entities in the U.S. and Bahamas.

Robert DeSalvio and Resorts World New York City have been a longtime and generous friend of the MediSys Health Network. During the pandemic

Robert and Resorts World provided our first responders with much-needed food and supplies. They have also supported many of our programs and services, including, most recently, the development of Queens’ only Comprehensive Cancer program.

The MediSys Health Network is privileged to honor Robert for his deep appreciation for and tireless work on behalf of our community.

**INTRODUCING CANCER CARE FOR THE QUEENS COMMUNITY**

All proceeds from this year’s gala will benefit the continued growth of an enhanced cancer program at MediSys. This program, which we have created in collaboration with Memorial Sloan Kettering Cancer Center (MSK), provides local, high-quality oncology services to the people of Queens.

Every year, thousands of Queens residents are diagnosed with some form of cancer. Many of these individuals face significant healthcare barriers, including socio-economic, language, and educational disparities. Through MediSys Health Network’s partnership with MSK, our culturally and ethnically diverse patient population now have greater access to world-class care, and will for generations to come.
